

## **VOLUNTEERISM**

Dear Parents and Guardians,

Over the course of our eight-year history, the parents of **The International School at Mesa del Sol** have repeatedly demonstrated generosity, a strong sense of community-building and selfless dedication to the school and larger school community. Volunteerism is part of who we are as both an organization and as individuals. Per our charter, 80% of families are required to volunteer. (That works out to 20 hours per family.) Below is a list that provides some opportunities for you to fulfill this. Please help us continue capturing the great work you are doing by logging your volunteer hours on the TIS volunteer log form located on [www.tisnm.org](http://www.tisnm.org) website. Your accomplishments are a powerful force that helps make our school environment even better for all of our students.
